   b. Federal Home Loan Bank membership? No
   c. Deposit Insurance by FDIC? Yes

18. Is the institution making use of credit facilities available through Federal affiliations? Not necessary

19. Extent of borrowings or advances: $ None

20. Attitude toward Federal program:
    Favorable. This bank feels that the Federal Housing Administration has been a fine thing for builders, labor, banks, and of course prospective home owners. It will be wise, however, to watch the development carefully, so that this easy financing does not allow building to get ahead of its market. Home Owners' Loan Corporation was a necessary factor in paving the way for the revival in building.

    "Agent's Note": All banking in Fresno is done through the branches of the Security-First National of Los Angeles and the Bank of America National Trust and Savings Association. Mr. A. J. Jessen, Assistant Manager, stated that these banks are in keen competition in Fresno, particularly relative to real estate lending, but the branches and agencies of the Bank of America National Trust and Savings work in harmony with the Security-First National branch.
