II. REAL ESTATE SITUATION

A. Security Map No. 1

In the loose exhibits attached to this report will be found Security Map No. 1 for the City of Fresno and its immediate environs. Also in the loose exhibits will be found descriptions of the areas shown on that map, and a detailed explanation of the procedure used in its preparation and reference to the men who helped in its creation.

Particular attention is called to the valuable assistance of Mr. Joseph Pierce Collins, Field Representative in Charge of the Fresno Office, who arranged meetings with the other men who helped in the preparation, as well as giving generously of his own time.

Following are the men who helped to create the first draft or discussed the completed draft before it was put in its final form:

Joseph Pierce Collins - Field Representative in Charge of the Home Owners' Loan Corporation, Fresno Office.

George A. Ferris - Field Representative, Fresno Office, Home Owners' Loan Corporation

James T. Tupper - Realtor (former HOLC appraiser)

C. G. Bray - Senior Staff Valuator, Fresno Area, Federal Housing Administration

A. J. Jessen - Assistant Manager, Security First National Bank, Fresno Branch

Edward F. Ryan - Manager Fresno Office, Capital Company

A. L. Andrews - Secretary, Fresno Guarantee Building-Loan Ass'n.

R. D. Hargrave - Fresno Manager, Prudential Insurance Company of America & Interior Investment Corp'n. Correspondent

In addition to criticisms of these men in the course of preparing the first drafts of the map, all districts in the city were visited by the Agent for the purpose of deciding differences of opinion.

Copies of the map used were furnished by the local Chamber of Commerce.
