DESCRIPTION AND CHARACTERISTICS OF AREA: (Continued from page 329)

25 - 3 & 4 room frame on 67th & 68th Sts. between Orange & Chevy Chase Aves.
25 4 " " No. of 68th St. " Paramount and Downey Aves.
40 4 & 5 " " So. of 65th St. " " " "
20 3 & 4 " " So. of Poppy St. east of Chevy Chase Ave.

Other new construction is generally FHA Title II financing. Many street improvements consist of oiled roadways and balance is largely two inches of tar and gravel laid on earth foundation. From the foregoing it can readily be seen that area is in its formative period and that development has been of a heterogeneous character. It is not possible to predict the ultimate outcome; the area is therefore accorded a provisional "medial yellow" grade with the thought that it should later be re-graded.

9. LOCATION Huntington Park SECURITY GRADE 3rd AREA NO. 1-148 DATE 5/3/39

District CAUTION: This area is currently affected in whole or in part by an Ad valorem Tax District. Individual properties should be checked for this hazard.
