CLARIFYING REMARKS:

Sales and rental prices of flats have not recovered in the same proportion as single-family homes. (11) New homes averaged $7200 in value, including lot and financing; these were considered over-improvements for area; the building permit for one apartment house was $13,000 plus lot and financing, which made total cost $17,500. In the southeastern part of this area was located the old town of Brooklyn, where the Alameda County Court House was located in 1873. After its removal from the town of San Leandro, this is a border-line area.
