Agent's Note: Residential loan figures extended under Nos. 10, 11, and 12 are 10% of the bank's totals, this amount having been deducted from the bank's figures on the strength of its statement that it was not feasible to make actual segregation but that 10% of their residential figures would be a close approximation of the amounts applicable to the Oakland-Berkeley Bay area. The other 90% of the bank's figures are reflected in the San Francisco Report.

For interview and information not given above, see San Francisco Report.
