   - 25% down and 1%, or more, of purchase price per month, including 7% interest, balance of purchase price due within five years. In some cases we have accepted as low as 15% down. Interest rate on homes and vacant properties is 7% and on larger pieces of income and industrial properties it is 8%. Our amortization does not include allowance for taxes and insurance. However, we do insist that the purchaser pay, in addition to the regular monthly payment, an amount sufficient to take care of the taxes on a monthly basis, as well as the insurance on a monthly basis.
