5. CLARIFYING REMARKS: Development in area began in 1924, and has shown steady growth since that time. In addition to having deed restrictions, it is zoned single-family residences. Is a high degree of homogeneity as to architectural types and standard of construction. Is the city's most popular district, that portion on 45th and 46th Sts. from J to 3 1/2 blocks north of Folsom Blvd. being particularly high grade. Although area has a 90% land improvement, it will remain "tops" for many years to come. Population density in area is very much below average for the city as a whole. Area is accorded a "high green" grade.
