The sale of the lot west corner of Mission and Fifth t'act that inflation and speculation had preceded the comple-
hand route from the East. The railroad was completed in Sep­
sjortant events during the period and gives the noteworthy
pomplete files of the Circular. The review deals with the im-
pression of the railroad.

In 1872, 1873, and 1874 the hard times after the inflation and speculation
in 1893 and the advance in real estate was checked.

The principal sales in this period were in 1916, when the east
Golden Gate avenue for a reported price of $1,700,000 and the

During the twenties was period many sales and exchanges
were made, but not until 1929 did the real estate business

The Risdon Iron Works sold in 1911 for $1,250,000 to the
