24. Give collection methods, including percentage of loans delinquent to total loans (define such delinquency):
   Less than 1% delinquency ninety days or over.
   Does not present a problem. As no loans have been made since 1931, the "bad" ones have been weeded out when borrowers are chronically inclined to lag in payments.

25. Discuss withdrawal situation from 1929 to the present: Foreclosure is begun.

See interview.

26. Total amount of new deposits and/or share investments during 1935: $3,767,915 loss

27. What methods are used to obtain new money?
   Just beginning campaign of newspaper advertising, circularization, and personal solicitation.

28. Last dividend: Dec. 31, 1936 (Rate per annum)
   (Date) (Rate per annum)

29. In your opinion is this institution in a position to meet legitimate demands upon it for the financing of home ownership? No
   If not, why, and what is necessary to enable it to function?
   If a segregation of assets and an insurance of shares is not accomplished, it is thought this Institution will be forced to continue liquidation.
