5. CLARIFYING REMARKS: The hatched portion is zoned 2-family residential and the northern part is neither zoned or deed protected. The figures shown above apply only to developed portion, which is known as Mountain View Terrace. It is a low grade working man's district and while improvements indicate an upward trend, it is not believed that it will ever be more than a third grade area. Present conditions and prospects do not warrant higher than a low "yellow" grade.
